

Senate Resolution 5.17

Sponsored By: Senator Davis

SUMMARY

Request the faculty and staff file work orders when an accessibility issue is brought to them.

1. **Whereas:** All buildings on campus need to be accessed for work, class, studying, eating, etc. by everyone on campus.
2. **Whereas:** All buildings on campus are equipped with accessibility points (doors, elevators, ramps, handles, etc.) that give users better access.
3. **Whereas:** During Winter 2016, a student filed a student concern report that an accessibility door was not working in New PE, and that student was concerned for the accessibility for other students, staff, and faculty.
4. **Whereas:** Staff and faculty members can report when there is a complaint about an ineffective accessibility point by a student or fellow staff or faculty member.
5. **Therefore be it enacted:** The ASWOU Senate requests that Staff and Faculty members file a work order when an issue with an accessibility point is brought up to them by either student/staff/faculty member.
6. **Therefore be it enacted:** The Senate President will give this resolution to the Staff and Faculty Senates.
