

47th ASWOU Legislative Assembly 2016-2017 Academic Year

**Senate Resolution 5.17 Sponsored**

By: Senator Davis

SUMMARY

Request that faculty and staff report or help students report an issue with an accessibility point.

1. Whereas: All buildings on campus need to be accessed for work, class, studying, eating, etc. by everyone on campus.
2. Whereas: All buildings on campus are equipped with accessibility points (doors, elevators, ramps, handles, etc.) that give users better access.
3. Whereas: During Winter 2016, a student filed a student concern report that an accessibility door was not working in New PE, and that student was concerned for the accessibility for other students, staff, and faculty.
4. Whereas: Building managers can report when there is a complaint about an ineffective accessibility point by a student or fellow staff or faculty member.
5. Therefore be it enacted: The ASWOU Senate requests that Staff and Faculty members report or help students report an issue with an accessibility point to the building manager when an accessibility issue is brought up to them by either student/staff/faculty member.
6. Therefore be it enacted: The Senate President will give this resolution to the Staff and Faculty Senates.
