

**Financial Aid and Accounting & Business Services
Student Consent to Release Information
2025-2026**

Student Name:	Student ID:
---------------	-------------

NOTE: Valid only for the selection made below and pertinent to 2025-2026 school year. The student must complete a new form each year they want to release their information to someone. Form will not be accepted with a computer signature.

- 1) Fill out the "Release Information To" box.
 - a) Choose a passcode that will only be known to you and the person(s)/agency on this Release of Confidential Information Form. The passcode will be a date—other than the student's date of birth—that is memorable.
 - b) **Give the passcode to the person(s)/agency you have authorized.**
- 2) Information contained in financial aid applications (as well as conversations with the student, family or agency) is considered confidential and will not be released to the public.
 - a) No information concerning the student's application, award, eligibility, etc. (identifying the student) will be made public except as follows. Information may be released:
 - i) To specific parties with the student's permission.
 - ii) To a university office, other offices representing the University, the U.S. Department of Education, educational loan servicing centers, the Oregon Student Access Commission, software providers, and other university or college financial aid offices on a need-to-know basis without the student's permission.
 - iii) To an auditor designated to audit financial aid and student records without the student's permission.
 - iv) To any agency (e.g., the Justice Department) without the student's permission by court orders.
 - v) For any other allowable reason stated in the Federal Family Educational Rights and Privacy Act of 1974 (FERPA, 1974).
- 3) Statistical information that does not personally identify the student will be released to any university department, governmental agency or other outside agencies that have a valid need-to-know.
- 4) To ensure that information is not released to the public, before discussing any information concerning a student's application, awards, etc., the person requesting the information must provide positive identification and the passcode.
- 5) To ensure that only authorized personnel can access student aid application data in Banner Financial Aid and Banner Student Information System program, a username and personalized password is required to log in. Student employees who must have access to the computer records are closely supervised and can only access the system with assistance of an authorized staff member.
- 6) Confidential Status established by the student through the WOU Registrar's Office overrides all release requests on file with the Student Accounts Office and the Financial Aid Office. No information will be released while a student's registrar record is marked Confidential, regardless of this signed release on file.
