**Effective July 1, 2014, the University of Oregon, Portland State University and Oregon State University will manage their tuition rates under the governance of their own institutional boards, separately from the State Board of Higher Education. The OUS 2014-15 Academic Year and Summer 2015 Fee Book will be transitional, including summary rate information for UO, PSU, and OSU but primarily focused on rates and policies for the technical and regional universities – EOU, Oregon Tech, SOU, and WOU. For this transitional year, institutions are expected to prepare and submit Tuition and Fee proposals for both Academic Year & Summer Sessions commensurate with the process outlined in this document.*

This schedule and the information requested from the institutions may be subject to change. This schedule and subsequent updates will be posted on the OUS Budget Operations website at: <http://www.ous.edu/factreport/tuition>.
