

- What is your name?
Kacy
- What is your Major?
I am an English major with a Literature focus
- What is your Minor/ Focus
I have French as my minor.
- Where are you going for your study abroad experience?
I will be going to Aix-en-Provence, France
- When are you going and for how long?
I am going for the term of fall 2013 for four months leaving at the end of August to complete a week early program before my official school starts in early September for the term
- Why did you decide to go on an exchange?
I decided to go abroad because it is a good time in my life for me to do so. I won't ever be as free of commitments nor have as much support to go as I will now. I also want to see what truly immersing myself in another culture will feel like. I also hope that by immersing myself in the language I will be able to be a more fluent speaker. I also decided to go on the exchange to see if French language is something I want to pursue further. I am considering changing my major to French.
- What do you hope to get out of it?
I hope to get a lifelong experience that I will be able to look back on. I hope to see myself as having grown as a person when I am finished and to have taken every chance that was given to me. I also hope to be a better speaker of the language and to feel more comfortable with speaking in front of people I don't know. I also hope to be more sociable as a result of interacting with a lot of different types of people.
