

Subject: It's time for Web Time Entry! (UW,TS)

Greetings Hourly & Temporary Staff and their Supervisors,

We're excited to announce that we'll soon complete the transition from paper timecards to the Web Time Entry system across the entire WOU community. There are 7 different groups at WOU impacted by this system implementation. Below are the specifics that apply to your group.

What is changing: You will switch from paper timecards to the new Web Time Entry system. All groups will report time on the 16th to 15th of the month cycle. If you currently use the new Web Time Entry system, continue doing so. All groups will report time on the 16th to 15th of the month cycle. We will provide further details on what the transitional month from 11th-10th to 16-15th reporting will look like.

What does this mean for me: The university will be aligning all groups to the same reporting cycles and pay periods. Your reporting period will go from 11th-10th to 16th-15th of the month. Web Time Entry is a clock-in/clock-out system that feeds directly to payroll. This system will be used campus wide for clocking-in/out.

When does this happen: From now until no later than 09/15/25 take the training on the HR website (<https://wou.edu/hr/payroll/web-time-entry/>). On 09/16/25 begin entering leave used and time worked in Web Time Entry on a daily basis.

What do I need to do:

Student Employees:

- Review HR website for training. (<https://wou.edu/hr/payroll/web-time-entry/>)
- Send any questions to payroll@wou.edu.

Supervisors:

- Verify that your "My Teams" on Employee Dashboard is up to date. If not, alert payroll@wou.edu. If you have already alerted Julie McMurry of the changes needed, you do not need to send a second notice.
- Review HR website for training. (<https://wou.edu/hr/payroll/web-time-entry/>)
- Send any questions to payroll@wou.edu.

Thank you all for your patience and support for this three-year journey of optimizing Banner and the Banner experience for the WOU Community. As always, please tell us what's on your mind regarding Banner via this [feedback form](#).
