Multimedia Specialist [Information Technology Consultant]

Recruitment #: S2665
Review Date: Open | Open until filled
Department: University Computing Solutions
Salary Rate: $18.67 - $29.65

About Western Oregon University:
Western Oregon University is a regional public, mid-sized university – committed to changing lives, strengthening communities and transforming our world. Located in Monmouth, the heart of Oregon's lush Willamette Valley, WOU is about 20 minutes from Salem, the state's capital and about 75 minutes from Portland, the state's cultural hub.

Western is one of Oregon's oldest public institutions of higher education and was incorporated into the state system as a teacher training institution in 1882. The university offers undergraduate and graduate degrees in arts and sciences, education and professional areas. It's known for small class sizes, a focus on sustainability and a diverse liberal arts education in a student-centered environment. Western is a Hispanic Serving institution, with over 40% of undergraduates being students of color.

Position Summary:
The Multimedia Specialist provides technology services and support within the University Computing Solutions department. This position works in Digital Productions Services and supports the production team with event capture, utilizing digital media technology, for both live streaming and later video-on-demand viewing via cloud-based delivery. This position involves some travel both on-campus and at times off-campus for event coverage. The position requires non-linear editing, graphics development, ability to communicate needs and equipment problems with engineering staff, and strong organization and communication skills. The Multimedia Specialist will also assist with campus event AV projects including set-up, support, and maintenance of equipment.
