 - 1. Rip makes a note about drop-in tennis.
 - ii. Aidan: In club sports, rugby is the only ones that have women's plus listed. Could you explain why that is?
 - 1. Rip: It refers to the make up is. Women's and plus, for our transgender athletes.
 - iii. Aidan: Is there a reason that has not been adapted to the other club sports?
 - 1. Rip: It has not been brought to our attention or requested. If it was brought to us, we would move forward with it as it was with rugby.
 - iv. Cody: On your enhancements, can you talk more about lacrosse?
 - 1. Rip: Main factor is that many of these students playing lacrosse, it is a very specialized sport. We do not spend IFC money on their equipment. That is all them, and they pay for

their coach. Club members have fees, they fundraise. We are trying to reduce the deficit that they have to try to fundraise so much. It is so expensive.

- v. Cody: Money so they do not have to fundraise as much?
 - 1. Rip: They fundraise on average between \$7,000 and \$10,000. What we are trying to do is to help out and the fundraised funds can cover the travel. Just supplement a little more.
- vi. JD: Outdoor pursuits club and men's volleyball are getting their first enhancements because they are now chartered or qualify?
 - 1. Rip: Just like ASWOU it is 2 years, and an active club can ask to receive funding. We also want to make sure that they are traveling or competing.
