

Step-by-Step Guide

Accessing WOU Resources from Off Campus

Connecting to the WOU VPN

To securely access WOU resources from off campus, please utilize the **WOU VPN**. Comprehensive setup and connection instructions are available through the **WOU Portal**:

- Log in to your **Portal**.
- Navigate to the **Programs for Everyone** section.
- Select **VPN Instructions** and follow the guided steps provided.

Connection to the WOU VDI

To access WOU VDI:

- Log in to your **Portal**

- Click on the VDI icon.

Comprehensive setup and connection instructions are available through Technology Support Center on their Remote Access webpage: <https://wou.edu/tech/remote-access/>.
