

**Tuition and Fee Advisory Committee Meeting (TFAC)**  
**February 12, 2025 – Meeting #3**  
**2:00 – 3:00 PM**

**MINUTES**

**I. COMMITTEE WELCOME**

Committee members present included Lukas Dyer, Emily Phoun, Janeanne Rockwell-Kincanon, Brianne Salvati, Mike Green, Camarie Moreno, and Ashley Schaumburg. Also present was Beth Scroggins representing Student Health & Counseling Center.

**II. STUDENT HEALTH & COUNSELING CENTER PRESENTATION**

Beth Scroggins presented about the Student Health & Counseling Center (SHCC). She, with support from the Student Health Advisory Committee, is requesting a 5% increase to the health service fee next year, bringing the fee to \$183/term (from \$175) for Monmouth-campus students and \$136/term (from \$130) for completely online/Salem students. Beth presented statistics showing the increase in demand for SHCC's services this year compared to last year. She also shared her projections for next year that even with a 5% increase to the fee, she still expects an ~\$90K deficit to maintain current operation level.

**III. DISCUSS TUITION RATES & HEALTH SERVICE FEE OPTIONS**

The committee discussed the historical student support for Student Health & Counseling Center's services, as well as considering a 3-5% increase to tuition.

**IV. NEXT STEPS & FUTURE MEETINGS**

The committee discussed how to gather student feedback, and decided continuing with the all-student survey would be the best approach. The committee discussed updating the wording of some questions and getting rid of a few that did not seem to add value, as well as providing a voice-over powerpoint to give some more context.
