

**Tuition and Fee Advisory Committee Meeting (TFAC)
March 10, 2026 – Meeting #4
4:00 – 5:00 PM**

MINUTES

I. COMMITTEE WELCOME

Committee members present included Joey Guerra, Makayla Wright, Carmen Caceda, Camarie Moreno, and Ashley Schaumburg. Also present were Beth Scroggins and Trisha Guy.

II. DISCUSS SURVEY RESULTS

375 students responded to the survey. While majority (277, 73.87%) responded in support of a 2.73% tuition increase, it was discussed that it is very challenging to capture and explain the university's financial situation over a three-question survey. The Committee recognizes the student response, but also recognizes the need for a more significant increase to keep the university running and providing the services.

III. FINALIZE RECOMMENDATIONS

Students present voiced support for a 4.55% tuition increase for resident undergrad, to a rate of \$230/credit. Students present voiced support for increasing the health service fee as requested by the Student Health & Counseling Center (to \$192/term for Monmouth-campus students and \$143/term for completely online/Salem students).

IV. DRAFT RECOMMENDATION LETTER

The Committee agreed they would like to include the student survey results as an appendix to the letter.
