

April 24, 2017

Good afternoon everyone,

I am forwarding, for your information, two documents that President Fuller will be speaking about at tomorrow's Faculty Senate meeting. These two documents begin to set the backdrop at the State level for our 2018 budget development and may provide you with perspective for upcoming UBC discussions.

Also the 2018 tuition rate increase proposal, essentially a repeat of the presentation made at last week's FAC meeting, will be made at this Wednesday's Board of Trustees meeting. This Board docket item is available here: <http://www.wou.edu/board/meeting-materials/>

I want to encourage you to attend the full Board meeting if your schedule permits, otherwise I hope to see you at one of the two UBC meetings scheduled below.

In the meantime please feel free to contact me with any questions or concerns.

Thank you all,

Eric
